

Material Safety Data Sheet

May be used to comply with
OSHA's Hazard Communication Standard,
29 CFR 1910.1200. Standard must be
consulted for specific requirements.

U.S. Department of Labor

Occupational Safety and Health Administration
(Non-Mandatory Form)
Form Approved
OMB No. 1218-0072

IDENTITY (As Used on Label and List)
Horseman's Dream Fly Gone

Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.

Section I

Manufacturer's Name Summit Industries, Inc.	Emergency Telephone Number (770) 590-0600
Address (Number, Street, City, State, and ZIP Code) 839 Pickens Industrial Drive Marietta, GA 30062	Telephone Number for Information (770) 590-0600
	Date Prepared March 11, 2010
	Signature of Preparer (optional)

Section II - Hazard Ingredients/Identity Information

Hazardous Components (Specific Chemical Identity; Common Name(s):	OSHA exposure limits:	ACGIH exposure limits:	Other Limits Recommended (% optional)
Pyrethrins: 10%, CAS #8003-34-7	5 mg/m ³ TWA	5 mg/m ³ TWA	None
Piperonyl Butoxide: 1.00%, CAS #51-03-6	None	None	None
Butoxypolypropylene Glycol: 15.00%, CAS #64742-47-8	None	None	None

Horseman's Dream Fly Gone should be kept out of reach of children. HARMFUL IF SWALLOWED. Avoid contact with skin, eyes, and clothing. This product is toxic to fish and other aquatic organisms. Keep out of lakes, streams, ponds, etc. Do not contaminate water by cleaning of container or disposal of wastes.

Toxicity category: III/IV

Section III - Physical/Chemical Characteristics

Boiling Point	Not determined	pH	No data available
Vapor Pressure (mm Hg.)	Not determined	Melting Point	No data available
Vapor Density (AIR = 1)	Not determined	Evaporation Rate (Butyl Acetate = 1)	No data available
Solubility in Water	None	Volatile Organic Compounds Content:	
Solubility in Oil	Soluble	No data available	

Appearance and Odor
Slight odor

Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used) 194° F	Flammable Limits No data available	LEL No data available	UEL No data available
Extinguishing Media Foam, dry chemical, or CO2	Special Fire Fighting Procedures As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH approved (or equivalent) and full protective gear.		

Unusual Fire and Explosion Hazards No data available

Section V – Stability and Reactivity Data

Stability	Unstable		Conditions to Avoid
	Stable	X	Avoid excessive heat and sources of ignition.
Incompatibility (<i>Materials to Avoid</i>) Strong acids and oxidizing agents.			
Hazardous Decomposition or Byproducts May form toxic materials such as: Carbon dioxide, carbon monoxide, various hydrocarbons, etc.			
Hazardous Polymerization	May Occur		No data available
	Will Not Occur	X	

Section VI - Health Hazard Data

Route(s) of Entry:	Inhalation? >4.0 mg/Liter	Skin? Prolonged contact may cause skin sensitivity, contact dermatitis, dryness, chapping and reddening of skin.	Eyes? May cause mild eye irritation.	Ingestion? Harmful if swallowed.	
Health Hazards (<i>Acute and Chronic</i>) Horseman's Dream Fly Gone is intended for topical use on horses, and should be used as directed. See label.					
Carcinogenicity: Unknown	Teratogenicity: Unknown	Mutagenicity: Unknown	NTP? No	IARC Monographs? No	OSHA Regulated? Yes
Signs and Symptoms of Exposure May cause gastrointestinal effects such as nausea, vomiting and diarrhea. Ingestion of large quantities can result in nervous system effects such as dizziness, loss of coordination, tremors and loss of consciousness. Symptoms usually regress with no long lasting effects.					
Medical Conditions Generally Aggravated by Exposure No data available					
Emergency and First Aid Procedures Eyes - Immediately flush eyes with water for at least 15 minutes. If irritation persists, consult a physician. Skin - In case of skin contact with the concentrate, immediately wash skin thoroughly with soap and water. If irritation persists, consult a physician. Ingestion - If ingested, DO NOT INDUCE VOMITING unless directed by a physician. Do not give liquid to the person. Do not give anything by mouth to an unconscious person. Inhalation - Remove casualty from exposure, consult a physician. Move the casualty to fresh air. If casualty is unconscious or not breathing, call 911 or an ambulance then give artificial respiration, initiate CPR procedures, if possible. Notes to Physician: Contains petroleum distillates. Vomiting may cause aspiration pneumonia.					

Section VII - Precautions for Safe Handling and Use

Steps to Be Taken in Case Material is Released or Spilled Absorb spill with an inert material (e.g. sand, sawdust, earth) or other absorbent material, then place in a chemical waste container.
Waste Disposal Method Do not reuse container. Dispose of in accordance with all applicable local, state and federal regulations.

Precautions to be taken in Handling and Storing
 Avoid prolonged contact with skin, eyes, or clothing. Store in original containers, under normal conditions.

Other Precautions
 Keep out of reach of children. Toxic to fish; keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of container or disposal of wastes.

Section VIII - Control Measures

Respiratory Protection (<i>Specify Type</i>) No respiratory protection is required.		
Ventilation None required	Local Exhaust None required	Special None
	Mechanical (<i>General</i>) None required	Other None
Protective Gloves Rubber, impervious gloves are advised for persons continuously exposed to this material.		Eye Protection Splash resistant safety glasses / goggles are advised for persons continuously exposed to this material.
Other Protective Clothing or Equipment None		Work/Hygienic Practices Avoid contact with skin, eyes or clothing

Section IX - Transport Information

Shipping Description: This Product is not DOT regulated for shipping	Required Labels: Not regulated for shipping; No transport labels are required
Environmentally Hazardous Substance: This product is very toxic to fish and other aquatic organisms. Keep out of lakes, streams, ponds, etc. Do not contaminate water by cleaning of container or disposal of wastes.	

Section X - Regulatory Information

US Federal Regulations TSCA: Not Listed OSHA: Not Hazardous	State Regulations There are no known additional requirements necessary for compliance with the state Right to Know regulations.
